

## 2014 Summer Internship

### Overview

The Futures Collegiate Baseball League is searching for a hard-working, creative, and results driven individual looking for an opportunity to gain experience within the sport industry. This position will provide the intern with knowledge pertaining to many facets of sport administration. This internship will provide hands-on experience within the wide variety of administrative and operational aspects that are required to successfully run a sports organization.

### Responsibilities

- Maintain and continue to develop the FCBL website network and social media forums
- Promote relationships with league sponsors and supporters, along with the FCBL fan-base
- Assist in all aspects of baseball player and game-day operations
- Assist in the coordination and execution of FCBL community relations efforts
- Assist in the research, cultivation, and development of league expansion opportunities

### Qualifications

- Aggressive, competitive, and committed to a future career in the sport industry
- Born leader
- Strong interpersonal and communication skills
- Strong computer skills and knowledge
- Detail-oriented and organized with the ability to handle several projects at once
- Past experience within collegiate or professional athletics, preferably baseball
- Sport management or similar educational background is preferred
- Must possess reliable transportation

### Compensation

- This internship is for credit only
